(Bookings should be made using the attached booking form and payment should be received at least six working days prior to the commencement of a course. Only bookings accompanied by full payment will be accepted thereafter. Bookings for which payment has not been made by the due date will be deemed to have been cancelled by the booking party.)

NOTE: ITRISA reserves the right to cancel any course on which less than 5 delegates have made confirmed bookings at least five days prior to the commencement date of the course. It is therefore important to **book well in advance** to avoid the disappointment of a course having to be cancelled due to insufficient numbers. On-line training is limited to a total of 12 delegates at any one time to allow for adequate interaction between the group and the trainer.

Looking for an alternative to public short courses? ITRISA also offers the following specialised services:

- **customised, industry-specific training for one company's personnel only** on a wide range of export/import subjects
- a comprehensive **distance learning programme in international trade** which leads to **nationally and internationally accredited qualifications**
- **consultations** to both public and private sector organisations on international trade, and international trade education, matters.
